**\*Call to Worship:**

L: God listens. He hears us when we cry out to him, when we speak honestly about where we have failed.

**P: Praise God, who does not ignore our prayers or withdraw his faithful love from us!**

**\*Opening Prayer:**

**Lord God of heaven and earth, Creator of our world, and everything in it, yet as close to us as our own breath—holy is Your name. In You we live and move and have our being; we are Your own children, the work of Your hands. We pray that Your Holy Spirit would move among us as we worship, opening our eyes to Your presence, opening our ears to Your Word. Receive the worship of our hearts and minds and bodies; may it be a pleasing offering to You. We pray in the name of Your Son, our Saviour, Jesus Christ, in whose death and resurrection we find life. Amen.**

### Food for Thought!

Don't stress over the little things.

You've already overcome so much in your life.

You have good memories and bad ones, but the important thing is the present.

Don't let the past drag you down and don't let the future frighten you.

Feel good in the now.

Small issues will soon be forgotten.
